

Recruitment

2010

Carlisle's leading family-owned prestige car dealership group requires the following:

BMW WORKSHOP CONTROLLER.

The successful applicant will control the flow of work through our BMW workshop and will have excellent communication and organisational skills. This exciting opportunity may suit a person with workshop experience wanting to further their career in a supervisory position.

Positive, self-motivated and keen to help customers and staff alike, the ideal candidate will have excellent communication and IT skills, and be able to work well in a team and on their own initiative.

Please apply with full C.V. and covering letter for the attention of **Bryony Nelson**.
